STAT

I would like to take this occasion to express appreciation for the valuable contribution you have made to FBIS and particularly the Analysis Group. It is thanks to your fine work that office functions were successfully completed in a timely manner. This was particularly important in light of the serious personnel shortage that Research Staff experienced in the past year.

You have been a great asset to Research Staff and I know you will be missed by everyone. I wish you every happiness in this exciting new period in your life.

Sincerely,

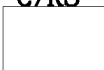

Director
